JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

BOOK REVIEWS.

A TRUSTEE'S HANDBOOK. By Augustus Peabody Loring, A. B., LL. B., Harv., of the Suffolk Bar. Boston: Little, Brown & Company, 1899. 12 mo. Cloth. Pp. xxix 191. \$1.50 *net*.

We have read this very excellent little volume with much satisfaction. As indicated by its title, it is a mere handbook for ready reference. It is in no sense a general treatise on trusts, but is confined chiefly to practical questions ordinarily arising in the course of the administration of a trust, and is intended mainly for the guidance of the trustee. That the author is a practitioner, appears from the intensely practical character of its well stated propositions. We are glad to commend it to our readers.
